

Internal regulations

Please take note of the following regulations, which must be observed during your stay at the holiday park.

1) ARRIVAL

a. Registration

On arriving at the holiday park, guests must park their vehicles in the outside car park and report immediately to Reception in order to register. Each guest must show a valid document as required under current legislation. Guests should take the opportunity to read the internal regulations.

Management reserves the right not to admit guests who do not exhibit proper means of identification or who do not comply with the regulations of the holiday park.

b. Camping Pass and wristband

Upon arrival, all guests need to go to reception where they will be issued a microchipped ID wristband, which will be put on by a member of staff and must be worn on the wrist at all times during the day. The wristband allows the guest to be identified during the day and gives access to the holiday park, pedestrian areas, beach and swimming-pool area. A Camping Pass will also be issued, bearing the guest's data, including the dates of the stay. The Camping Pass, or wristband, is also essential for any operation at the Reception offices.

c. Opening hours of reception and Cash desk office

Reception is open between 7 a.m. and 10 p.m. Guests may arrive during these hours. The Cash desk office is open as follows: Low and Mid-season from 8 a.m. to midday and from 4 p.m. to 6 p.m.; High Season from 8 a.m. to midday and from 4 p.m. to 7 p.m. All guests are asked to use the safe deposit boxes to safeguard all their valuables and property. These are located in the Reception and are accessible during Cash desk office open hours.

d. Allocation of camping area

Camping pitches are allocated by Management who may consider guests' requests depending on the circumstances.

Booking of campsites guarantees only occupation in the zones available at the time of arrival.

A maximum of one set of camping equipment may be installed in each camping area.

A maximum of one car plus one tent, one car plus a caravan or one camper is permitted per camping area; a separate charge will be made for any further equipment. The camping areas and toilet facilities will be opened in the order set down by Management based on the number of guests present.

e. Allocation of the living accommodation

The management may give priority to guests' requests for a certain type of bungalow, maxicaravan or preferred area, but cannot guarantee it.

The staff have the right to modify the guest's request, according to availability, without prior notice. The daily rate includes one car parking space only; a separate charge will be made for an additional car, which must be left in the outside carpark (unattended).

Living accommodations will be available from 3 p.m. onwards in Low Season and from 5 p.m. onwards in Mid and High season. Guests must pay the provisional balance for the holiday without fail within 24 hours from arrival at the holiday park.

f. Motorcycles

Motorcycles and quads are not admitted inside the holiday park.

g. Pets

Pets are not allowed in bungalows or maxicaravans, even if kept outside, and even on an occasional and temporary basis, except in the maxicaravan Naturalgreen.

Guests bringing pets to the holiday park must inform Management upon arrival.

All pets must comply with health regulations; written proof of such must be shown.

2) DURING THE HOLIDAY

a. Identification

All guests are required to wear the microchipped ID wristband, which contains their data. Should they be found without it, management has the right to remove the guest from the camp site. **At night, from 10 p.m. to 7 a.m., guests moving around the campsite must take their personal Camping Pass and show it to staff when requested. In the event of conduct not in compliance with the regulations, members of staff may withdraw the Camping Pass, which may be collected at reception the following day. In the case of the Camping Pass being withdrawn from an under-age guest, the pass must be collected by a parent or guardian.**

b. Absence

Guests must inform Management each time they leave and return to the holiday park. Guests failing to do so will be charged for the period of absence.

c. Visitors

Guests at the holiday park may not receive visitors during the day or night. Any visitors must report to Reception and leave a valid identification document to the staff before they are permitted to enter the holiday park; visitors may not bring vehicles into the park. Visitors may stay at the park for a maximum of half an hour, after which they will be charged the daily rate.

Visitors' pets are allowed only in the dedicated areas.

Visiting times: 8 a.m. to 10 p.m.

d. Driving regulations

Motorcycles and quads are not allowed inside the holiday park. Motor vehicles must not be driven inside the holiday park between midnight and 7 a.m., including those driven by guests entering and leaving the site. Motor vehicles must be driven at walking pace inside the holiday park. Guests may only use their vehicles when strictly necessary.

Cyclists are advised to ride slowly for their own safety and the safety of others.

e. Quiet times

Between 1 p.m. and 3 p.m. and 11 p.m. and 7 a.m. Guests must not disturb other guests by using radios, televisions, stereos and musical instruments or by gathering in groups.

Guests may not take animals onto the beach between 7 a.m. and 8 p.m. for health and safety reasons. Animals must not be taken into the playground, swimming pool area and all public areas (bar, restaurant, shops, etc.).

g. Care of children

Management will not supervise the activities of guests who are staying at the holiday park. Supervision of children is the sole responsibility of parents (who will assume sole responsibility towards third parties) or guardians; Management and the owners of the camping site are released from all responsibility in this matter. Parents and guardians must ensure that children do not cause damage or place themselves at risk at the holiday park, particularly around the lake and in the play area.

Guests must observe the special regulations for the swimming pool area. Ball games must not be played between tents, on roads or on the beach.

h. Hygiene

The holiday park provides a full cleaning service, but also relies on guests to keep the park in the best possible condition. Please note that rubbish should be collected in sealed bags and placed in bins between 7 a.m. and 11 p.m. Remember that good rubbish sorting will make recycling easier. Guests must observe regulations on the use of sinks and wash basins. Toilet facilities must also be used correctly.

Any damage resulting from improper use will be the responsibility of the guest.

Please note that chemical toilets must be emptied into the special drains at the toilet blocks.

Guests should ask at Reception for the key to the nursery and toilets for disabled persons.

Guests must keep camping areas and living accommodation clean and tidy and leave them in the condition in which they found them.
